NOTICE

Grant of Annual Increment

The Institute has a practice of drawing annual increment of staff members on 1st of July each year. The Institute has been effecting the increment for even the staff members who are on leave on the 1st of July (Date of Annual Increment). The same has been objected to by the CAG.

In view of the objection of the auditors and also to streamline the procedure of annual increment, it has now been decided to follow the Government rule. As per rule "If a Government servant is on leave or is availing joining time on the 1st of July, the increased pay will be drawn only from the date on which he resumes duty and not from 1st of July"

In view of the above it may be noted that annual increment for staff members on leave (except of C.L. & R.H.) on 1st of July will be effected only from the date of resumption of duties.
